

Parents Meeting Parents

We are parents with sons and daughters who have a developmental disability.

We have speakers and info sessions on topics that we're interested in.

* Let us know if there's something that you'd like to know more about!

We also get together *to share experience, advice, frustrations, and laughs.

All parents and caregivers are welcome.

***Watch for the calendar of meeting dates and times,
and session topics, starting in September, 2019.***
