## CAMP INCLUSION 2015

Our fabulous Facilitators this year were **Austyn Churchill-Fertile** and **Jerilyn Labrie**, who supported 13 children at 9 different camps over the summer!

Thanks to our funders we've been able to continue to offer this opportunity for children with disabilities to attend regular camps:

**Kingston Foundation for Autism Spectrum Disorder, CUPE Local 2635** (representing CLKD employees),

**Empire Life, a grant from Canada Summer Jobs and a provincial subsidy from KEYS.**

## PARENT TO PARENT

I am a parent of a 20 year old woman who is looking to make connections with other families who have similar aged daughters. I am looking for a couple of other young ladies who would want to hang out regularly doing fun activities (going for dinner, bowling, spa nights or whatever else our ladies would enjoy doing) and share the cost of support workers. If you are interested in connecting with me please contact my Family Support Worker Erin Impola at [erin.impola@clkington.ca](mailto:erin.impola@clkington.ca) or at 613-546-6613 ext. 253 and Erin can provide you with my contact information and a few more details
