

Community Living Kingston and District is excited to introduce you to
Partners for Planning Resource Network

An innovative online resource that assists families in creating a good life and secure future for their loved one.

One Stop Shop for Planning

The Resource makes the process of planning easier by offering immediate access to critical information and advice from professionals and experts.

With a focus on future planning, we provide strategies to:

- Develop a long-term financial plan
- Navigate through legal issues (e.g., wills, trusts, supported decision-making)
- Develop and sustain supportive, lasting relationships
- Identify a variety of creative housing options
- Build a meaningful life by leveraging community-based opportunities

Events

Watch live webcasts and webinars on topics ranging from wills and estate planning to nurturing supportive relationships.

Learning Centre

Keep informed through our interactive and video modules on relationships, wills and estate planning, options for home, community contributions, and financial planning.

'Ask an Expert'

Call on a professional for a FREE one-on-one telephone consultation.

Directory

Browse through the Provincial Professional Services Directory for lawyers, accountants, independent facilitators and financial advisors specializing in disability issues.

Doc Zone

Get inspired by watching our collection of original documentaries, video profiles and recorded presentations.
